Hi Randy,

We have completed our review of the initial responses provided in response to the April 26, 2017 Executive Order 13792 and initial data request. The executive summary and detailed response for the requested items are attached and will be uploaded to the respective Google Drive folder for the Grand Staircase-Escalante National Monument in addition to the supporting data and documents.

Per your request, I have also attached the additional information in a word document below and will shared the google docs that provide the supporting data and information.

Please let me know if you have any questions.
Hope you have a great weekend!
